Subject:	Re: change of company name

Hello Stephen,

Thank you for the blessings and your quick reply.

First - We should change the name of the company in the agreement to be in line with all the papers. Can you please send me the agreement with the new company name and Ehud will sign it or let me know to whom shall I revert in JB to ask for it. This is done by e-mail in no time.

Second - what is urgent is the opening of the account as the next payment is already due.

We are going abroad tomorrow night and will be back on January 21.
You can bring the documents with you and leave them in your office in Tel-Aviv or at our address and we will sign and send it back to you by DHL or UPS, what is best.
Then I will need an access by the internet to the account, as I do with Hyperion.

Thank you for your cooperation,
best regards from Ehud,
Nili

> Your thought and understanding is correct. We need to open a new account for the new company. Regarding the relationship with JB if the contract stays the same with Hyperion as counterpart, you will collect on Hyperion and then can transfer to ERGO. Or else you should make a new contract witrh ERGO.
